J. **DOCUMENTATION**

There will be two (2) methods of importation, details as follows:

1. **PERMANENT IMPORT**

This will apply to all items that will remain in Malaysia whether consumed, destroyed, given away or donated, display material, stand fittings, posters etc.

There is no customs exemption for exhibitions and as such all goods in this category will be imported duty and taxes paid, which will be debited to you with an official receipt. When indicating the value of the items for this category, please indicate **A REALISTIC CIF VALUE IN MALAYSIAN RINGGIT.**

We recommended that you do not ship foodstuffs or any form of beverage and suggest that you purchase your requirements locally.

2. TEMPORARY IMPORT

This covers all items that will be exported after exhibition and these must be covered by a Bank Guarantee.

Items imported under this method cannot be disposed of, i.e., sold, donated, destroyed, without prior permission of Customs indicating the value of the items for this category **A TRUE CIF VALUE IN MALAYSIAN RINGGIT.**

Your goods must be invoiced separately in either of the above categories. DO NOT mix both categories together on the same invoice.

All invoices must bare an ORIGINAL SIGNATURE and show country of origin together with method of import i.e., "The goods on this invoice are of (country of origin) and are for (temporary) / (permanent) import for the purposes of this exhibition.

To assist, we have included a copy of our own combined Invoice/Packing List which may be reproduced as necessary but please ensure that every copy has an original signature and endorsed with your company stamp.

K. ATA CARNET

ATA Carnets are accepted in Malaysia and exhibitors are urged to use this documents as an alternative to the use of your Invoice and our Bank Guarantee, and as such, reduce your costs if high value items are to be exhibited. Please ensure however the exhibits listed in the Carnet will be re-exported at the close of the exhibition, as Malaysian Customs do not allow items to be imported into Malaysia on a permanent basis originally cleared on a Carnet. In addition to the Carnet we should also receive a packing list covering the items as listed in the Carnet. This will greatly assist customs at the time of examination.

L. CUSTOMS EXAMINATION

Malaysian customs are through in their examination on previous exhibitions every case has been opened and the contents have been carefully checked against the invoice/packing list.

We would strongly recommend that at the time of preparing documentation that you ensure that the invoice/packing list tie up with the contents of your packed cases.

Please note that Malaysian Customs will impose fines should undeclared or under declared items be found. All such charges will be passed back to the exhibitor.

M. CASE MARKING

All cases and packages must be clearly marked as follows:

Name Of Exhibition :
Hall No/Stand No :
Exhibitor/Company's Name :
Stand Number :
Case Number :
Dimensions :
Gross & Nett Weight :

DO NOT MIX temporary and permanent imports together in one case as this can cause delays in clearance and examination and will incur extra charges. All cases must show import status i.e., Temporary or Permanent.

N. WEIGHT AND HEIGHT RESTRICTIONS

Due to size and weight restriction in the exhibition hall, exhibitors and their appointed agents should take special note to ensure that no individual case exceeds a dimension of 600 x 250 x 200 cm and a weight of 2000 kilo.

Should it be necessary to ship cases in excess of the above, then please forward us immediately with full specification and also stand location we will then undertake a feasibility study and advise you accordingly.

Please take note that APT Showfreight (S) Pte Ltd is not liable if exhibits are unable to be placed on stand if the above has not been adhered to.

We would also draw your attention to the notes in the exhibitor manual as issued by the organizer.

O. PACKING

We cannot put too much emphasis on the importance of all packing being of the highest standard. All cases and packages should be constructed to withstand extensive handling and where required repacking. We would advise against the use of cardboard cartons and strongly recommend for main display and exhibits that bolted returnable type cases are used. While initially they may be expensive we know from experience that short cuts can prove to be false economy.

P. FILMS & VIDEO TAPES

All films and video tapes to be shown at the exhibition must first be cleared by the Malaysian Censorship Board. We will be happy to arrange this on your behalf, but please note that they must arrive Malaysia not later than one month before opening of the exhibition. These items should be sent to us by air courier service. Consignee instructions are the same as item C, however please ensure that a pre-alert fax is sent to advise us of despatch so that we are able to monitor arrival.

Q. COURIER SHIPMENTS

We would discourage the use of Courier Service for the despatch of your material to the exhibition except Video Tapes, item no. K of these instructions refer.

Shipment arriving by courier will be handled by the courier company as follows:

These are delivered to our office. We will then re-deliver to you at the exhibition site. A fee of US\$ 150.00 will apply.

These will only be delivered to our office after customs duty has been paid. We would advise that we are unable to clear these under our bank guarantee and will only accept shipment upon confirmation from the exhibitor that duty and taxes will be paid prior to delivery exhibition site.

S. RE-EXPORT

Re-export after the show may take a considerable time whilst the customs documentation is being completed. Please bare this in mind when planning further, use of your exhibits and displays. The minimum period needed to process export customs documentation is two (2) weeks. We will be available on the exhibition site throughout the exhibition tenancy to advice on all matters concerning payment of duty and re-shipment. There will be an addition of two (2) weeks for the application of the Strategic Trade Act (STA) for goods falls under this act.
