

Subject line: **April Exhibitor Update | SEMICON Southeast Asia**

Dear Exhibitor,

Warm Greetings from SEMI Southeast Asia!

One more month to SEMICON Southeast Asia 2019! Are you all ready?!!

1. Technical Forums and Workshops

SEMICON Southeast Asia 2019 is the ideal place to discover the technologies and trends that are driving advances in microelectronics to electronics manufacturing. Through our technical forums, you will find ideas and solutions to address your challenges, meet the people you need to know, and take away information to advance your business.

[See the full program line-up](#) including [in-depth packaging workshops](#).

We are now extending the special promo code of **Bvf252M** (23% OFF EBR member rate, 30% OFF published Member rate) to all exhibitors and their customers who are interested in attending the workshops and forums. Promo code redemption is limited, so register today!

Register Now

2. PICO Order Forms Deadline - 20th April

Exhibitors are reminded to submit their additional/optional order(s) to PICO INTERNATIONAL (M) SDN BHD if they still have not done so.

Late order received by 20th Apr 2019, 30% late surcharge will be charged for any late orders received after the deadline, while orders received on site will be subject to availability & 50% onsite surcharge.

3. Buyers-Suppliers Networking Luncheon

This is a value-added service to compliment with the [Hosted VIP Buyer Program](#). The objective of this networking lunch with our hosted buyers is to provide a platform for exhibitors and buyers to come together and network with one another.

Exhibitors who have not been scheduled for any business meeting with the buyers are given the opportunity to attend this networking luncheon on **8th May 2019, 1200-1300.**

Opens to exhibitors within the exhibitor hall and each company can send one representative to attend this luncheon.

Admission is strictly by RSVP only and seats are based on first come, first served basis.

*Closing date for RSVP: 19 April 2019 | Shortlisted exhibitors will be notified by 26 April 2019

Click [HERE](#) to RSVP Now!

4. Hi-Tech Park Visits - Post Show

Special post show tour can be arranged for those who are keen to visit the following Hi-Tech Parks after SEMICON Southeast Asia 2019. The tour itinerary and duration will be shared by the respective host subsequently.

Interested visitors may register their interest [HERE](#) first. We will keep you posted on the results thereafter.

Batu Kawan Industrial Park - Penang

Date of tour: 10 May 2019

- A comprehensively planned industrial park with high standard infrastructure facilities.
- New township
- Strong support from the State Government, PDC & investPenang
- Excellent location and accessibility. Straight to Airport via second link and straight to Port through North South Highway

Saigon Hi-Tech Park - Ho Chi Minh City [Hi-Tech Heartland]

Date of tour: 14 May 2019

After 11 years of development, as one of the only three national hi-tech parks and one of Ho Chi Minh City's five focal projects serving as the driving force for the city's development unit 2015, Saigon Hi-Tech Park (SHTP) has become a trustworthy destination for hi-tech investment in Vietnam. Towards 2020, SHTP is to be a techno-polis playing an important role of strongly enhancing the technological and intellectual base of Ho Chi Minh City (HCMC) and the Focal

Economic Region of Southern Vietnam, and serving as a Vietnam's model of technological innovation, intellectual capital development and innovation economy.
